The Learning Village Collaborative

- Education, health, social, recreation and cultural services coordinated through schools
- 12 partners
- How it began

Our CLVC Governance Model

Our ways of working include:

- Life-long learning...
- Collaboration...
- Meaningful parent and community involvement...
- Resiliency...

In the heart of the community, with schools at our core, we are helping to shift thinking and build on new and different ways of working.

The Role of Satellite Coordinator:

- Communication
- Community Development Process
- Health Public Policy

Some highlights. . . .

- Securing after school programs
- Transition conference
- Interagency networking

Our Learning Village

Collaborative areas of focus:

- Community Development Coordinators –
 - Diversity
 - Mental Health Promotion
 - Community Safety
 - Nutrition & Food Security
- Recreation Connectors
- Family Place Coordinators

Collaboration.

- Why collaborate?
- Challenges
- What we have learned

The Calgary Learning Village Collaborative is an innovative and unique model in Calgary.

- Enhance our reach and support
- Explore ways to better link services and opportunities within the community
- Generate systemic change among schools, agencies and CLVC Partners.
