

Primary Care Nurse Team Lead – Kamloops, BC

If you are a Registered Nurse with great communication and problem solving skills, have the ability multitask and work cohesively with both internal and our community partners, we have a wonderful career opportunity for you as the Community Integration Care Coordinator/Primary Care Nurse Team Leader within our brand new Urgent Family Care & Teaching Centre. The successful candidate will be a strong critical thinker, educator and advocate and enjoy working independently within a multidisciplinary Primary Care environment.

This position is responsible for the coordination of day to day operations and quality client care and supports the seamless movement of clients through the healthcare system and in accessing appropriate resources. You will be required to supervise as well as serve as a role model and a resource to staff for clinical decision-making, the clinical assessments of clients and in the counselling and education of families. This role includes reviewing, analysing and making recommendations on the development of administrative systems such as policies, procedures and standards of client care, adequate staffing levels, and a continuous quality improvement environment. You will be required to liaise with an interdisciplinary team for the identification, coordination and efficient utilization of resources.

This is a permanent full-time opportunity, with competitive compensation and benefits plan.

Qualifications

- Baccalaureate Degree in Nursing
- Three years of recent related clinical experience in the assigned practice environment(s) and two years recent supervisory and teaching experience or an equivalent combination of education, training and experience.
- Current practicing registration with the College of Registered Nurses of British Columbia (CRNBC) or the College of Psychiatric Nurses of BC (CRPNBC).
- Current valid BC Driver's License.
